

Application No. 09/518,359  
Amendment dated June 7, 2005  
Response to Notice of June 1, 2005

**REMARKS**

This amendment merely corrects an error of a typographical nature in the noted paragraph and is responsive to the Notice of Drawing Inconsistency With the Specification mailed on June 1, 2005. The previously submitted drawings are consistent with the amended text which introduces no new matter and does not require reexamination. The amendment therefore should be approved without withdrawing the subject application from issuance.

Respectfully submitted,
